

SERMON SERIES: Flip the Switch
SPEAKER: Scott Beckenhauer
DATE: January 8, 2017

Key Line

Jesus is the light. We need to learn to move from the darkness of our own will to the light of Jesus' will.

Introduction

Read 1 John 1:5-7

- How does John describe Jesus?
- Describe what happens when light is introduced into a dark place.

Seek the Word

Read Romans 12:2 together.

Life change happens when we choose transformation over stagnation.

- How does realizing you need change motivate you to make the change?
- It is impossible to move forward in our relationship with God if we don't decide we are ready to make the change. Tell about a time when you made a change in your life that needed to be made. What motivated you to make that change?

Read Romans 8:11.

- What gives us the power to make the transformations God wants us to make?

God also uses other people to help us make the changes he wants us to make in our lives.

- Who has God used in your life to transform something about you?

Talk About It

- What are the areas of your life that you're withholding from God? What areas do you need to turn over to Him?
- Choose at least one concrete thing you can do this week to allow God to begin transforming you.
- How will you draw on the power of the Holy Spirit to follow through on this commitment to transformation?
- How will you help each other keep this commitment?
