

# AUDITION INSTRUCTIONS

## **Step 1: Preparing for your video submission**

- Prepare for the video using the appropriate tutorial mp3 for your auditioning role, as well as the chord chart.
- The “Original File” is also available for your preparation.

## **Step 2: Recording your video**

- The “Reference Audio” contains the click track along with the song audio. Record your video playing along with this file.
- This could mean playing the audio through speakers and playing/singing along with it on video, or simply playing along with the audio in your headphones only. If you’d prefer, you could even edit the “Reference Audio” back into the final video before submitting it.

## **Step 3: Uploading your video**

- After filling out the webform application, upload your video at the bottom of the page and title with “(FIRST/LAST NAME)- WORSHIP AUDITION”
- This can be done from a computer as well as a phone/tablet.
- Click submit, and we will follow up with you via email within one week.
