6 WEEKS THROUGH JOHN

Below is six-weeks of guided reading through the book of John. Use this list to read through this book in sequential order. For a deeper experience, we encourage you to journal through this journey. Each day, use the "SOAP" method of study to enhance:

S - Scripture: Open your Bible to the reading found under today's date. Take time reading and allow God to speak to you; don't rush. Look for ONE verse that particularly stands out. Write it in your journal.

O - Observation: What do you think God is saying in this Scripture? In your own words, record the context of the passage.

A - Application: Personalize it by asking yourself how this applies to your life right now. Write how God is showing you that this Scripture can apply to you today. How will you be different today because of what you have just read?

P - Prayer: Don't worry about getting the words right; just get your heart right! Be sure to listen to what God has to say! Now, write it out.
