

# Calvary Middle School **Summer Fusion** 2017 Need-to-Knows

## **What is Summer Fusion?**

Summer Fusion is a middle school only trip where students from all around Nebraska come together to learn about God, build relationships, and have fun! Our goal on this trip will be to build up a foundation in students for faith to grow on.

## **Where is Summer Fusion?**

Summer Fusion is being held at University of Nebraska-Kearney located in Kearney, NE. This is the first time that Fusion will be held at UNK and we are very excited about what God is going to do with the opportunities afforded at the new location. The address:

2504 N 9th Avenue  
Kearney, NE 68849

## **What is there to do at Summer Fusion?**

Summer Fusion has all kinds of events packed into the 4 day event including incredible sermons, energetic worship, break-out groups, and the opportunity to use the Rec center on UNK's campus during free time.

## **How will students be eating at Summer Fusion?**

UNK has a great meal facility that will provide dinner on Sunday, breakfast, lunch and dinner on Monday and Tuesday, and breakfast and lunch on Wednesday. If your student has a food allergy or any special dietary needs please notify Kyle Cleary before July 20th at the email address below.

## **What will the housing be like?**

We will be staying the dorms at UNK. Students will be assigned to a housing unit upon arrival. All dorms have a mattress, but bedding (sheets, pillows, etc.) are not included.

**What about students bringing electronics (or other expensive items)?**

Due to the nature of having so many people in one place, it is highly advised that students leave all valuables at home unless absolutely needed. Money and other necessary valuable items are recommended to be hidden within a student's suitcase or kept with a student at all times. Calvary Christian Church and UNK are not responsible for the loss or theft of any items.

**How will students be transported to Summer Fusion?**

They will be driven by licensed drivers who have been provided by the rental company. This trip is expected to be about 2 hours and 30 minutes long. If you have any questions or concerns about the transportation for our group please email Kyle Cleary at the address below. Students are encouraged to bring a dollar or two to tip the drivers on both the trip out and the return trip.

**Cost of the trip**

The cost of the trip \$240. This covers supplies, housing, meals, and travel.
