

Facebook Closed Captions

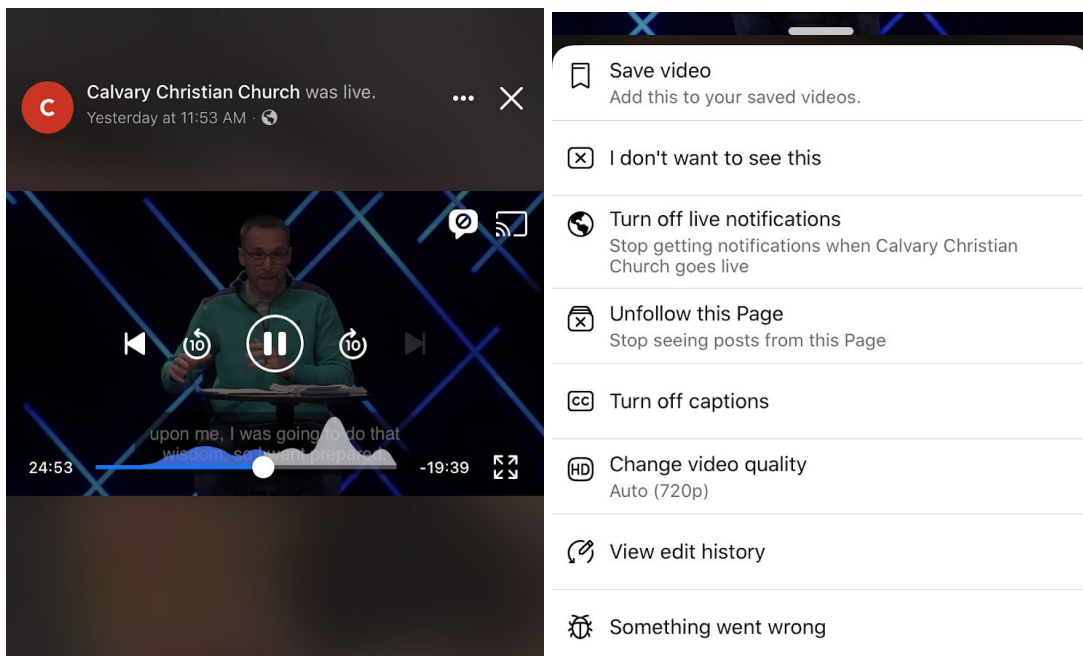

Computer Enable/Disable

You can enable and disable captions on videos that have captions by clicking the gear in the bottom right, then turning captions on.

Mobile - iOS

You can enable and disable captions on videos that have captions by clicking the three dots in the top right, then selecting turn on/off captions on the menu.

Adjust Look/Feel of Captions

Computer

You can adjust your [video settings](#) to always show captions, when available.

1. Click Videos in your [profile settings](#).
2. Under “Always Show Captions” choose your preferred option, off by default.
 - a. Select On to turn on captions for Facebook videos, when available.
3. Additionally, you may edit “Captions Display” to change the look and feel of the captions.

Your caption settings will only apply to videos you watch on a computer.

iOS

1. Go to your device's home screen.
2. Tap  Settings.
3. Tap General > Accessibility > Subtitles & Captioning.
4. Tap next to Closed Captions + SDH to turn on captions for videos, when available.
